Key Benefit

- Gentle and Effective:** Powerful combination of 60° wide oscillation and 26,000 vibrations per minute provides a thorough clean that is still gentle enough even for sensitive gums.
- Gum-Safe Design:** Designed with food-grade TPE-coated heads and ultra-fine bristles. Copper-free tufting ensures bristles are rust-proof and securely in place, preventing damage and providing a comfortable, safe brush.
- Worry-Free Battery Life:** A single 3-hour charge via USB-C provides up to 50 days of use*. Perfect for frequent travelers.
- Hygienic and Ergonomic:** The seamless, unibody handle design prevents dirt and grime buildup, while the matte PU coating offers a secure and comfortable grip.
- Smart Customization:** The Laifen APP allows you to fully personalize your brushing with over 1,000 mode combinations, smart timer, and more.
